Thank you for your interest in Riverside Preschool. We are primarily a preschool for children with disabilities. We are looking for “typical” kids to demonstrate appropriate speech, language, social development, and pre-academic skills. In addition to providing a model, we believe your child will gain valuable pre-kindergarten skills in a highly structured preschool setting. Before being admitted into the preschool, we require a visiting day to assess the appropriate placement of a tuition child. We want to assure the placement is a good fit for the school and for you.

Considerations for admission:

- Completely/independently toilet trained
- Age-appropriate speech and language skills
- Age-appropriate socialization skills
- Participates in a group
- Plays appropriately with other children
- Follows directions
- Age-appropriate interactions with peers and teachers

We realize that at times “typical” preschool students display inappropriate behaviors. However, if toileting issues or inappropriate behaviors occur more than one or two times, the parent will be notified and enrollment in the preschool may be discontinued at our discretion.

On the visiting day, we will fill out an observation checklist. Students will be selected after all students on the waiting list have visited. We will call you sometime between the last week of July and the first week of August to discuss placement.

We are currently using the “We Can!” curriculum, which is a program specifically designed for young children and integrates instruction for language and early literacy, math, science, health & safety, personal and social development, social studies, fine arts, physical development, and technology.

Monthly tuition payments are due by the 10<sup>th</sup> of each month. Checks should be made payable to Logan City School District and given to your child’s teacher. If your child misses an entire week (or more) in a particular month, please contact Kim Barfuss. You will be able to deduct that amount from the tuition in the following month. Deductions for individual days missed periodically will not be permitted. December and April will be prorated for three weeks’ of school due to Winter Break and Spring Break. The chart below indicates the monthly and weekly charges for tuition students based on the number of days in attendance each week.

| <i>Days per Week</i> | <i>\$ Per Month</i> |
|----------------------|---------------------|
| 4                    | \$110               |
| 3                    | \$85                |
| 2                    | \$50                |

If you have questions, please contact Kim Barfuss at Riverside Preschool, with Logan City School District. (755-2337, Ext. 1, or [kim.barfuss@loganschools.org](mailto:kim.barfuss@loganschools.org))
